## The Markets.

### Wheat Advances at Chicago.

Chicago, June 19.—Higher prices for wheat were quoted today as a result of continued unseasonable rains in the harvest region of the southwest. Livermore reports that offers from Indians were lessening, counter against the bear side of the market here. Opening prices, which ranged from 40 to 10 higher, were followed by some additional gains, and then a reaction all around.

The close was weak; unchanged to 40 down.

Corn hardened owing to unfavorable weather. After starting 4 to 8 higher, prices receded to about yesterday's closing point.

The close was weak at 40 to 40 1/2 not decline.

Smallness of receipts steadied oats.

Potatoes advanced with hops.

### TODAY IN STOCKS

### CLASSIFIED RATES

New York, June 19.—War shares were the only features of interest in today's very dull stock market. Baldwin Locomotive made a new high record at 684, and a few other specialties of that class, including Bethlehem Steel, rose 1 to 3 points. Some measure of the market's general trend may be taken from the fact that dealings in Baldwin Locomotives and Distillers' Securities were much larger than the overturn in United States Steel and other usual favorites. Distillers at 215 also made a high regular price. There was scarcely any demand for the high class railway issues, some of which remained unquoted for the entire session. The closing was irregular. Bonds were steady.
